Here's a breakdown of how our funding works and what's included:

For each funded session, parents are asked to pay an optional additional charge for meals, snacks, and consumables. These specific costs are not covered by the government funding we receive.

We offer funded hours stretched over 50 weeks of the year, providing up to 11.4 hours per week for the 15-hour scheme and 22.8 hours per week for the 30-hour scheme.

If your child attends more hours than their funded entitlement (15 or 30 hours), these additional hours will be charged at our standard rate.

For families receiving the 30-hours funding, it's important to reconfirm your eligibility with HMRC every three months, or whenever prompted, to ensure your funding continues without interruption.

A refundable deposit of £100 is required to secure any fully funded place. However, this deposit will be waived for local authority-funded 2-year-olds who are only accessing their funded hours.

Please note that our nursery operates for 51 weeks a year. The one non-funded week will be charged at our standard rate and will apply between April 1st-7th.
